**Lori Lomahan** is the Chief Operating Officer and an Expert Lifecare Manager. She has been a valued asset to the company for many years, excelling at multiple positions with continually increasing responsibility and seniority. Throughout her tenure, some such positions held are, Lifecare Manager, Senior Lifecare Manager, Expert Lifecare Manager, Director of Lifecare, and now the Chief Operating Officer. As the Chief Operating Officer, Lori is responsible for program development and implementation, and assuring quality and standards of care across all clinical care lines of Lifecare Innovations and its subsidiaries Lifecare Guardianship and Lifecare Home Solutions.

Lori is a masters prepared, Licensed Clinical Social Worker with twenty plus years in practice encompassing care coordination, and advocacy for acutely ill, chronically disabled, and discriminate populations. Throughout her vast professional experience, Lori has developed an expert level of knowledge and experience in the field of medical social work through Care Management, hospital, home care and hospice positions.

Sharing her expertise with professionals, Lori has spoken widely about grief, ethics, and end-of-life issues.

Lori earned her Bachelor of Science in Allied Health Professions with a concentration in Health Care and a minor in Business Administration from Northern Illinois University. She earned her Masters of Social Work with a concentration in Health Care from the University of Illinois at Chicago Jane Addams College of Social Work.

Lori is the recipient of numerous customer service awards and spearheaded Lifecare Innovations portfolio that was chosen as the only recipient in its class for the 2008 BBB Torch Award for Ethical Marketplace practices out of 2,000 applicants.
