## THE GAME OF RISK — LIABILITY AND THE CHALLENGING CLIENT

**SPEAKER: MARTHA KERN**, CHIEF MARKETING OFFICER OF LIFECARE INNOVATIONS

Worked with seniors and younger disabled individuals in the community over span of 15 years.

As professionals, we work with a variety of clients, some more challenging than others. It's easy to violate professional boundaries as our client relationships become more familiar, and we can inadvertently put ourselves and our companies at risk. This presentation will review high-risk clients, high-risk situations and some of the steps we can take to protect ourselves and our businesses.

*Participating nurses and social workers will be eligible to receive 1 CEU at the completion of this program. CEU certificates will be provided by Lifecare Innovations.*

**Seating is limited at this event. To reserve your spot, RSVP by April 5, 2016 to Susan Kocanda at 847-537-5000 or [skocanda@belmontvillage.com](mailto:skocanda@belmontvillage.com).**
