

Downsizing Made Easy!

What to Keep. What to Let Go.

Introducing Aspired Living of Westmont, a new Independent Living, Assisted Living and Memory Care community managed by Pathway® Senior Living in Westmont, Illinois. More than helping our residents live fully, actively and vibrantly, Aspired Living of Westmont is a resource for families, offering free educational and informational programs.

Isn't it amazing how much "stuff" we accumulate over time? If you or a loved one is thinking about downsizing, this event is for you!

Join us at our first event as Martha Kern of Lifecare Innovations, Inc. addresses the issue of downsizing. She'll share tips, ideas and recommendations for thinning out your belongings.
